Participating Starrag  
Group member:

Our event partners – engineering  
competence in one event.

Coolant emulsions and oils

Coatings for tools

Polishing and grinding cells

Tools for Backboring and  
backchamfering

Manufacturer of software for  
managing tool data

Coordinate Measuring  
Machines

CAD-CAM technology

Angle heads for casings

Linear Friction Welding

Production research

Invitation  
Turbine Technology Days 2016  
June 21<sup>st</sup> – 22<sup>nd</sup>

Where  
professionals  
meet!

# New process solutions for turbine components

Starrag and Haimer cordially invite you to the Turbine Technology Days 2015 at the Starrag plant in Rorschacherberg, Switzerland.

## Our event highlights:

**Unblemished surfaces on thinnest OGV's**  
Efficient chatter-free machining & best surfaces qualities

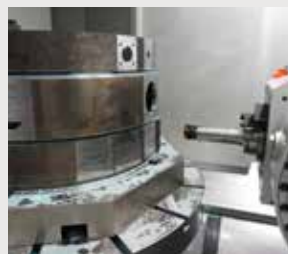

**24/7 Production**  
Manless production and highest flexibility

**Tailor made tools**  
The best tools for your workpiece

**Casings in one go**  
Complete machining with turning and milling in 2 setups

Keynote Wednesday June 22<sup>nd</sup>

«Modern Aero Engine Components – Efficient Machining, the Key for Success»

**Dr. Gregor Kappmeyer**  
Rolls-Royce Engineering  
Associate Fellow Machining

**5x faster around the edge**  
Highest dynamics and precision in Blisk machining

**Essentials for efficient airfoil repairs**  
Cost effective automated blending operations using Adaptive Technology

**Shrinking and balancing technology**  
Process reliability for turbine part machining

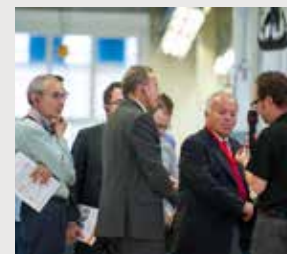

**Preventive Maintenance**  
Save your money by preventing damage

**High precision tool holding**  
Higher productivity through innovative tool holder geometries

**Inhouse-Exhibition**  
With our Event-Partners

## Register now for the Technology Days 2016!

Register online at [www.starrag.com/ttd](http://www.starrag.com/ttd) for your visit.

Please register before: May, 1<sup>st</sup> 2016

## Agenda

**Start:** Tuesday June 21<sup>th</sup>  
10.00 am Welcome and opening speech

**Closing:** Wednesday June 22<sup>nd</sup>  
Approx. 4.00 pm closing speech

## Event-Special (optional)

**Take the opportunity for visiting the headquarter of HAIMER in Igenhausen, Germany**

Wednesday June 22<sup>nd</sup>  
4.30 pm Bus transfer to Munich (approx. 3h drive)

Thursday June 23<sup>th</sup>  
10.00 am Visit headquarter HAIMER  
3.00 pm Bus transfer to Rorschacherberg
